

I HAVE A SECRET...

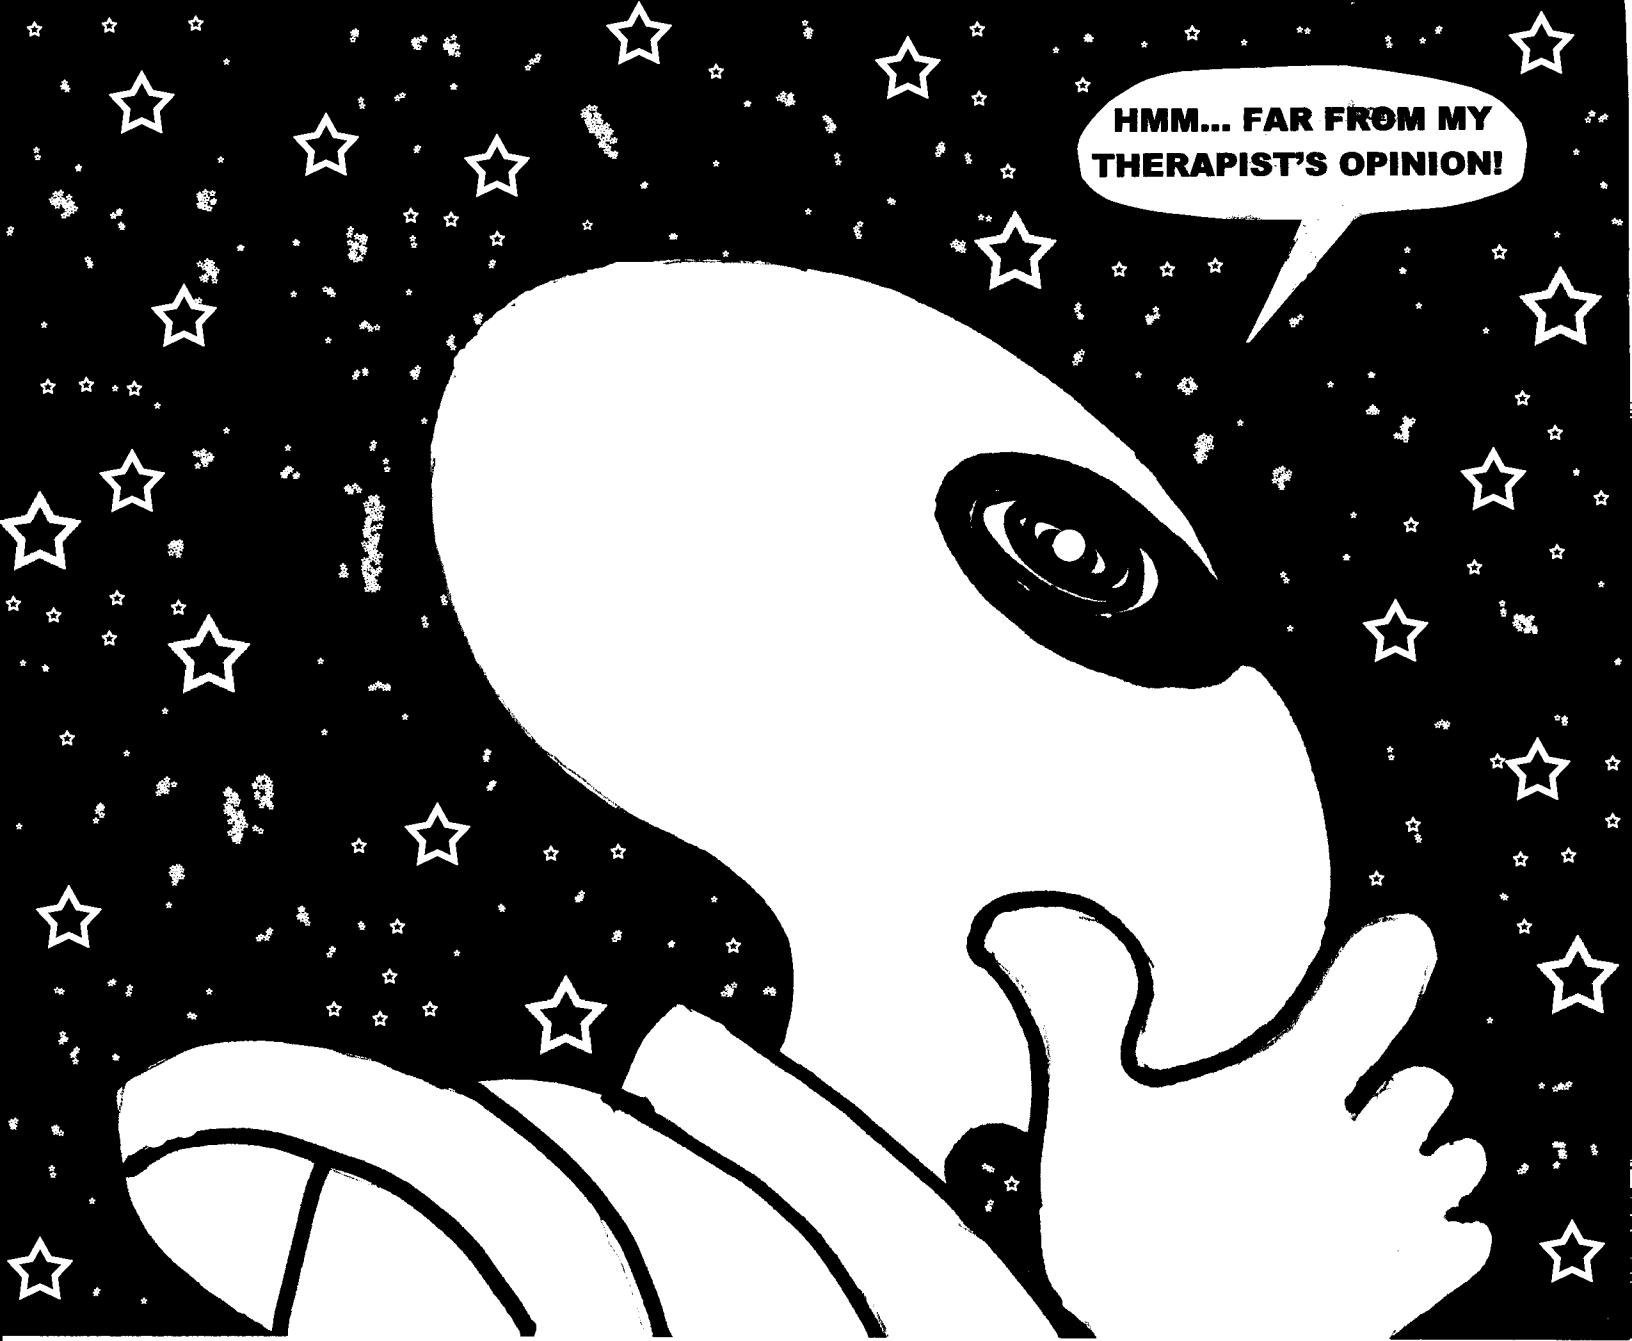

**THAT MY THERAPIST
DOES NOT KNOW...**

**I AM ALSO SEEING AN
ASTROLOGER!**

**I'M TOLD THE STARS
AFFECT MY EMOTIONS!**

**HMM... FAR FROM MY
THERAPIST'S OPINION!**

SO LET'S SEE...

**HELL, MY FEELINGS
CHANGED A LOT IN
SOME TIME...**

A black and white cartoon illustration of an alien in a space suit. The alien has a large, rounded head with a single large eye, a small mouth, and a body with a large, rounded belly. It is wearing a space helmet and a suit with a life-support system. The alien is looking up at a sky filled with many stars of various sizes. A speech bubble is coming from the alien's mouth, containing the text "AND I SEE THAT THE STARS MOVED TOO...".

**AND I SEE THAT
THE STARS MOVED
TOO...**

HMM.....
